Semira Avanessian

Patient Coordinator

Semira is pleased to have joined the professional and vibrant atmosphere of Cambridge Children's Dentristry. She has lived in the greater Boston area for more than twenty years now and currently resides in Watertown with her husband and son. Semira graduated from the University of South Florida with a Bachelors in Computer Science and worked in her field for a number of years.

As the Patient Coordinator, Semira will often be the first point of contact with families and children. Aside from her wonderful organizational skills, her love for children in general is what prompted her to take on this position. She likes to travel and has recently taken up yoga, but mostly she loves to spend time with her family and friends.
